# BIOMA+

## The quietest condensing unit of the range

**Multi-refrigerant platform**
Compatible with several A1 and A2L refrigerants, including R452A, R448A, R454C, R455A and R449A.

### Stackability
Stack up to two units, even different sizes, with a connection kit. Combine LBP and MBP systems, boost capacity, or add redundancy.

### Accessibility
Three-doors design with new central lock for faster and easier serviceability.

### Safety
Bioma+ features a redesigned electrical box and extra fan for safer use with A2L refrigerants.

### Brazed connections
New brazed service valves for safer A2L handling.

Discover all that our digital solutions can do to support your business.
