We are Nidec Global Appliance

A global partner for home and commercial refrigeration industries

With over 9,700 employees and 14 units across 9 countries, Nidec Global Appliance manufactures and commercializes solutions for commercial and residential appliances. Its portfolio includes Embraco's complete range of solutions for the refrigeration industry, Nidec motors for residential washing machines, dryers and dishwashers, and FIR motors and pumps for food service, commercial washing machines and medical applications. Nidec Global Appliance is a platform of ACIM (Appliance, Commercial and Industrial Motors), a business unit of Nidec Corporation.

Over 50 years
raising the bar
of refrigeration

think ahead

Since 1971 Embraco has been responsible for shaping refrigeration market trends by bringing solutions beyond the compressor for the residential and commercial cold chain. A pioneer in fostering the development of variable speed and the use of natural refrigerants over the years, the brand delivers innovation driven by the Think Ahead positioning, which means focusing on the future's needs to transform the refrigeration segment and make its customers' lives easier. Embraco counts on a broad and competitive portfolio for food service, food retail, merchandisers, and medical applications, including complete, synchronized and integrated solutions, which combines efficiency and data intelligence.

	Home Appliances Products for residential freezers, refrigerators and mini-fridges.
	Commercial Appliances Compressors and cooling solutions for commercial applications, such as bottle coolers, chest freezers, reach-ins, ice machines, medical refrigerators, etc.
	Aftermarket Parts distribution, replacement and retail focused on retail owners, installers and contractors.
