

EM

A complete portfolio
for your commercial
refrigeration needs

High Efficiency

Lower Noise

Environmentally
friendly

Wide Cooling
Capacity

Wide Application
Range

Global
Platform

think ahead

Propane solutions: The most
efficient **ON-OFF** compressor in
embraco's commercial portfolio.
Ideal for **Light Commercial
Refrigeration**.

Local production
and technical
support for a **better
customer service**.

Main Application
Commercial freezers & Refrigerators,
Undercounters, Reach-ins and Islands

embraco
Nidec
